Dear Dr Sri Masyeni

Thank you for your submission to HIV/AIDS - Research and Palliative Care, titled "Evaluation of antiretroviral effect on mitochondrial DNA depletion among HIV infected patients in Bali," which we have received today.

If your paper is accepted for publication you will need to pay a publication processing fee. As you are from Indonesia we can offer you a heavily discounted price of USD929.00 (normal price is USD1,958.00) - a discount of USD1,029.00. In order for us to be able to make this offer to more authors we recommend that your submission not exceed 7,500 words.

We have limited funds for such discounts and many authors who would like this discount, so please let me know by 28 Feb 2018 if you accept this special offer. If I do not hear from you by 28 Feb 2018 and you wish to proceed, your paper may be charged the full price of USD1,958.00.

This special discount price is only available to authors who do not have any sponsorship from commercial organizations. If you have such support we require you to pay the full, advertised rate.

Before your manuscript goes to independent peer-review I need to remind you that:

- 1) Your paper should be unique and not published elsewhere. If you have reused or adapted figures, tables or sections of text from papers published elsewhere you must approach the copyright owner (normally the journal publisher and not the author) and obtain their permission to re-use those elements; and
- 2) You agree to pay the publication processing fee of USD929.00 if your paper is accepted for publication (if you have already accepted a discounted price offered to you at the time of submission please be aware that this is the maximum discount and we are unable to help you further); and
- 3) You should advise us immediately if you have received financial or other support from a commercial organization in the preparation of this submission; and
- 4) Your paper should not be under consideration by any other journal or publisher.

For full details of terms and conditions of publication:
http://www.dovepress.com/submit_terms_and_conditions.php?id=771

Your submission has been received on the basis of your agreement with the terms and conditions which you were asked to consent to during the submission process. These are available in full on the website: http://www.dovepress.com/author_guidelines.php?content_id=771.

Please confirm you agree to these terms and conditions and that you will pay the publication processing fee if your paper is accepted for publication. As soon as we hear from you we will put your manuscript into peer-review.

Regards

Ms Vivienne Gee

Dove Medical Press: Submission accepted for publication Yahoo Mail/Drafts

Ms Vivienne Gee <viviennegee@dovepress.com> To: Dr Sri Masyeni Wed, 9 May 2018 at 6:58 am

Dear Dr Sri Masyeni,

I am pleased to inform you that your submission, "Evaluation of antiretroviral effect on mitochondrial DNA depletion among HIV-infected patients in Bali", has been accepted for publication in "HIV/AIDS - Research and Palliative Care". The publication processing fee is now payable before your paper can be progressed any further and an invoice is accessible here: <https://www.dovepress.com/invoice.php?key=9K2ueY2t8RwLuzgy6S2JVS2626> (If you require any amendments to your invoice please reply to this email. Please note invoices cannot be amended once a payment has been made)

The above acceptance for publication is conditional upon the required copyright permissions being obtained, if applicable.

The fee can be paid by credit card (Visa, MasterCard or AMEX) or bank transfer*. Instructions are given below, which we strongly recommend you read before organizing payment.

Please note that we do NOT accept payment by check.

Paying by credit card:
Click on the URL given above to be taken to our secure credit card payment gateway. Because credit card payments are immediate, we recommend using this method to ensure that processing of your paper continues promptly. When processing your payment through the secure credit card system you will need to remain on the payment pages until the transaction has completed – either successful or failed. Do not close your browser during this time.

Paying by bank transfer:
Please forward the invoice accessible through the URL given above together with this information to your organization's accounts administrator.
