MS. Ref. No. Agri2020043

Title: Incorporating additives for stability of edible coatingbase on Aloe gel

Dear Dr. Suriati,

We are writing to inform you that your manuscript is formally accepted by AIMS Agriculture and Food.

Manuscript ID: Agri2020043

Title: Incorporating additives for stability of edible coatingbase on Aloe gel

The manuscript will go through an English check and copy editing by our production editor soon. We will send you the edited version for proofreading. Once we receive your final version, we will publish it as soon as possible.

Further, to maximize the impact and readership of your paper, AIMS will do everything possible to make it reach all interested readers in the shortest possible time. To this end, we would need your help in providing an extended list of names with email addresses of those people who may be interested in your paper, especially the authors of the references you cited. Please prepare the list as a Excel file formatted as "name; email;" (one per line) via email. With your suggested list, we will invite them to browse this published issue online.

Please let us know if there are any questions you have.

Best wishes,

Yours sincerely,

Mengyao Wang
