Dear author,

To send your manuscript to revision, you need to make some slight changes according to the author guidelines. Your manuscript template it's not correct (numbers of lines are missing; there is not a short title and the references are NOT in APA style). As soon as you have all these changes done, please send me your revised manuscript, and I will forward it to the assigned editor.

Kind regards,

Fátima Miller

Dear Fatima Miller,

Thank you for your quick response to my paper...but I am sorry about your instruction I have not seen the template...and the number of lines is missing; there is not a short title and the references are NOT in APA style). According to this notice: how many lines maximum...and how many word maximum of the title and the last do you mean that in APA style...because the style is ITEE

thank you so much for your correction and your help

Sincerely yours,
 Pasek Mangku
