Dear Mr I nengah sinarta,

Thank you for proofreading the galleys for your manuscript, "THE POTENTIAL OF LIQUEFACTION DISASTERS BASED ON THE GEOLOGICAL, CPT, AND BOREHOLE DATA AT SOUTHERN BALI ISLAND," in Journal of Applied Engineering Science. We are looking forward to publishing your work shortly.

Prof. Dr Gradimir Danon

I Nengah Sinarta <inengahsinarta@gmail.com> kepada Dr ▾

Dear, Prof Gradimir,

after I read my paper, DOI: 10.5937 / jaes17-20794, written with the title;
THE POTENTIAL OF LIQUEFACTION DISASTERS BASED ON THE GEOLOGICAL, CPT, **ANDBOREHOLE** DATAAT SOUTHERN BALI ISLAND
there should be spaces in words that are blocked in yellow so they should:
THE POTENTIAL OF LIQUEFACTION DISASTERS BASED ON THE GEOLOGICAL, CPT, AND
BOREHOLE DATA AT SOUTHERN BALI ISLAND.
Please your help to fix it, so that different interpretations do not occur.
Thank you

Salam,

I Nengah Sinarta

 kepada saya, basokaariyana

Mr i nengah sinarta:

It is my pleasure to inform you that your paper entitled THE POTENTIAL OF LIQUEFACTION DISASTERS BASED ON THE GEOLOGICAL, CPT, AND BOREHOLE DATA AT SOUTHERN BALI ISLAND will be accepted for publication the Journal of Applied Engineering Science after necessary corrections .

To prepare the final author version of the paper it is necessary:

(1) that you fulfill the requests of reviewer(s), below;

 Reviewer A:

I have recommended a minor revision

The following remark should be still satisfied:

- The Abstract should be informative and completely self-explanatory, briefly present the topic, state the scope of the work, indicate significant data, and point out major findings and conclusions. The Abstract should be 100 to 200 words in length.
- The English style of the paper is not yet satisfactory. Complete sentences, active verbs, and the third person should be used, and the abstract should be written in the past tense.

Notes

Reviewer B:
 paper is feasible to be accepted and good for adding scientific insights in the field of geotechnics

Reviewer C:

The article is good enough and eligible to be accepted for enhancing knowledge.

There are minor mistakes in writings in several pharagraph.

(2) that, among standard keywords proposed by the special ASEESTANT tool (KWASS) for your paper, you select the most appropriate ones; the KWASS list is given href="<http://aseestant.ceon.rs/index.php/jaes/author/viewMetadata/20794>">here;

(3) that you remove possible inconsistencies between the citations given in the text and citations in the reference section; the list of possible errors of this kind indicated by the special ASEESTANT tool (CiteMatacher) is available href="<http://aseestant.ceon.rs/index.php/jaes/author/submissionCitations/20794>">here; and

(4) that you check and, if necessary, edit the list of your
