REVIEW FORM

1. PAPER INFORMATION

Paper ID : 1634
 Title : Analysis Comparison of Moment Resisting Frame System and Concentrically Braced Frame System using inverted - V Brace
 Author(s) : Listya Dewi, I. Nengah Sinarta, Putu Ika Wahyuni
 Affiliation : Department of Civil Engineering, Wamadewa University
 email : mynameisdewik516@gmail.com
 Similarity : 8 %
 Review round : First review Second review

2. CONTENTS

Please read the manuscripts and rate it in this section (put 'v' in the appropriate place). For 'Poor', 'Fair', and 'Good', please add your (reviewer) comments and suggestions (write it in section 4) to improve the manuscript.

	Poor	Fair	Good	Very Good	Excellent
Title			v		
Abstract		v			
Introduction			v		
Research Method		v			
Results and discussion			v		
References	v				

English writing (put 'v' in the appropriate place)

	Well written, easy to understood
v	It is not clear so that it needs to be read several times (minor writing correction, please specify in Section 4)
	Unreadable (need to re-write by a native English speaker)

3. RECOMMENDATION

Please select one by your recommendation (put 'v' in the appropriate place)

	Accept as is, no need revision
	Accept if minor revisions are made, second review unnecessary
v	Accept only if required revisions are made, second review necessary
	Reject (please specify the reasons in Section 4)

1st INTERNATIONAL CONFERENCE & SYMPOSIUM ON CONSTRUCTION INDUSTRY DEVELOPMENT

Online From Universitas Andalas
Padang, Indonesia
24 - 25 August 2021
Website: <https://conference.ft.unand.ac.id/index.php/i-centroid/2021>
E-mail: centroidconference@unand.ac.id

REVIEW FORM

4. COMMENTS

Please write your comments and suggestions

No.	Comments	Author's Response
1	Please make sure you have followed the format of AIP publisher standards. In general, the manuscript is using other format rather AIP publisher standard.	
2	Methodology should be written in academic style. The performance of the manuscript looks like the thesis style.	
3	Provide a short explanation about your methodology in your abstract.	
4	Please explain your figures and tables. You cannot just leave the table without explanation.	
5	Please be careful in words in bahasa. Some words in the manuscript is in bahasa. Please translate them	
6	For references, please translate all bahasa in English too.	
7	Some numbers using coma and some others using dot. Please consistent.	
8	Please also refer to the comments written in the manuscript.	

Author: please copy the content of this table to the 'author's response form'

Thank you for your contribution in I-CENTROID2021 Conference.

1st INTERNATIONAL CONFERENCE & SYMPOSIUM ON CONSTRUCTION INDUSTRY DEVELOPMENT

Online From Universitas Andalas

Dear Authors,

Thank you for your kind contribution to I-CENTROID 2021. We have processed all the papers and in a short time we are going to send the papers to AIP Publisher.

1. Please find your unsigned License of Publish Agreement in your email and download it.
2. Print the file and SIGN IT. Please note that, DIGITAL SIGNATURE IS NOT ACCEPTED.
3. We also attach your final manuscript, so that you can read it carefully before signing the Letter of Agreement. If you need to do some revisions, please contact us.
4. Scan and save your file in pdf format.
