Inggris > Indonesia > Terjemahkan pesan

Dear Dr Ysrafil Ysrafil,

Your submission "Anti-inflammatory Activities of Flavonoid Derivates: A Review" for **ADMET** and DMPK has been through the first step of copyediting. Unfortunately, the submitted manuscript was not prepared according to the author's guidelines: <https://www.pub.iapchem.org/ojs/index.php/admet/guidelines>. We encourage you to make the necessary changes and return the revised manuscript. Please pay particular attention to the following:

1. reference formatting. Please ensure that all references are formatted according to the guidelines. Please note that all references must include the corresponding Article title.
2. please ensure that the graphical abstract is submitted in the **required format**.
3. please make sure that all figures taken from other literature must be accompanied by copyright permission from the corresponding publisher.

Your manuscript is available for you to review by following these steps.

1. Click on the Submission URL below.
2. Log into the journal and click on the File that appears in Copyediting.
3. Open the downloaded file.
4. Review the text, including copyediting proposals and Author Queries.
5. Make any copyediting changes that would further improve the text.
6. Click on METADATA to check indexing information for completeness and accuracy.
7. When completed, click Add Discussion, upload the corrected file, and click OK to send the email to the copyeditor.

Submission URL: <https://pub.iapchem.org/ojs/index.php/admet/authorDashboard/submission/1918>
 Username: {SauthorUsername}

This is the last opportunity to make substantial copyediting changes to the submission. The proofreading stage, which follows the preparation of the galley proofs, is restricted to correcting typographical and layout errors.

Please note that the Manuscript **Title, authors' names and affiliations**, as well as the **Abstract**, will appear in the article listing in the form and in the order entered by the author during submission. You are obliged to provide or correct these data if they require some changes, while the manuscript is in reviewing and editing procedure by accessing the 'PUBLICATION' Section of your manuscript account.

Please pay attention, your article cannot be published until all co-authors have confirmed their co-authorship, using ORCID (as stated in the request for confirmation of co-authorship sent to all co-authors).

If you are unable to undertake this work at this time or have any questions, please contact us. Thank you for your contribution to this journal.

Dear Dr. Ysrafi,

I have been informed that there is an issue with the proofreading of your recently accepted article. Could you please check the final version in the attachment and then in a message replying to this email list:

Lin. No.	Wrong text	Correct text.

That is the only way to proceed. No other changes by your side are possible at this stage.

Thank you very much!

Kind regards,

Zoran Mandic
