IOP Publishing

Dear Putu Aryastana,

We are pleased to inform you that the following Papers have passed the Publisher's checks and are being finalized for publication:

- Water use optimization of Benel Reservoir in Jembrana Regency, Bali Province
- Performance of high-resolution satellite rainfall datasets in developing rainfall-duration threshold for landslide incidents over Badung Regency

The Papers are now entering the Production process to prepare them for publication on the IOPscience platform. An overview of the publication procedure is available [here](#).

You can access a list of your Submissions using the link below. If you have any problems accessing the link, please contact support@morressier.com.

IOP Publishing

Hi there,

Thank you for your Paper Submission to 'ICWRDEP-2023'.

The Editor has requested that you resubmit your Paper 'Performance of high-resolution satellite rainfall datasets in developing rainfall-duration threshold for landslide incidents over Badung Regency' with some changes. Go to My Submissions to see any comments from the Reviewers or Editor and submit an updated version of your Paper. The Deadline for resubmitting is September 26, 2023.

Please note that your revised Paper must be a camera-ready manuscript without any highlighted changes. A summary of the changes you have made to your Paper can be included in your Response to Reviewers, which you may upload as a separate document.
