Paper Title : The Quantitative Comparison of Grid Re-analysis Rainfall Dataset, Satellite Rainfall Dataset,  
and Hourly Rainfall Gauge Observation over Bali Province  
Date : September 29th, 2023

---

**NOTIFICATION OF PAPER ACCEPTANCE**

---

Dear Dr. Putu Aryastana ,

On behalf of the ICGCEE 2023 Committee, we are pleased to inform you that your submitted full paper (ICGCEE 2023: 088-063) entitled "The Quantitative Comparison of Grid Re-analysis Rainfall Dataset, Satellite Rainfall Dataset, and Hourly Rainfall Gauge Observation over Bali Province", has been reviewed by professional reviewers and **ACCEPTED** for the publication. Congratulations!

You are therefore requested to submit "Camera-ready paper" before **Thursday, October 05<sup>th</sup>, 2023** after revising it refer to Reviewers' comments.

**Additionally, please strictly refer the AIP template guidelines and send your manuscripts in Ms Word extension (\*.docx) only.**

Submit your camera-ready manuscript by clicking the link below :

[Submit Camera Ready Now](#) and click "View and Edit" on Camera Ready Paper Submission part.

The reviewer's comments, if any, are provided to assist you in preparing your camera-ready paper.

**--- Publication Payment ---**

**Information regarding Publication Payment will be announced on separated notifications after final review on your submitted Camera-ready version. Unrevised Camera-ready version and delay in Publication Payment might be rejected and could not be processed for publication.**

Again, thank you very much for your submission.

Secretariat ICGCEE 2023

Email: [icgcee@um.ac.id](mailto:icgcee@um.ac.id)

Website: <https://icgcee.um.ac.id/>

**Reviewer's Comments:**

REVIEWER 1:

REVIEWER 2:

Please make sure the plagiarism rate of your paper under 15%. Only papers with plagiarism rate under 15% will be processed for publication.

### Reviewer's Comments:

#### 1. **General:**

1. Your full paper is no more than 8 pages from title to references. We do not accept request for additional pages.
2. Refer to AIP guidelines for correct formatting of your articles, citations, references, figures, and tables
3. Use Mendeley for citing and referencing
4. Your article should follow the IMRAC structures
5. Maximum similarity is no more than 15% using Turnitin (no repository)
6. 80% references are from newly published international publication

#### 2. **Authors' name:** Write all authors in full name without abbreviation

#### 3. **Affiliation:** Write authors' affiliation correctly. If you are academician, it should consist of (at least): department name, faculty name, university name, country name

#### 4. **Abstract:** Abstract explains: research goals, methods and findings. Write your abstract in no more than 200 words.

#### 5. **Introduction:** Write research background and research goals in paragraphs. Each paragraph should consist of at least 4 (four) sentences. Support your paragraph with citation of related previous works.

#### 6. **Methods:** Explain the methodology of your works. Each paragraph should consist of at least 4 (four) sentences.

#### 7. **Results and Analysis:** Present the findings of your research in informative tables and/or figures. Avoid displaying raw data as it is less meaningful. Avoid narrating data that has been showed in tables and/or figures. DO discuss the research findings accompanied with citing related previous works, telling your perspectives, and research implication for better and more meaningful information. Support your discussion with citation of related previous works.

#### 8. **Conclusion:** It is suggested to write your research conclusion briefly in bullets (or points). Avoid re-discussing your finding in conclusion.

#### 9. **Acknowledgement:** If this paper is part of your research outcome, DO mention your research contract number and/or your sponsor.

#### 10. **References:** Choose the citation format that match with the AIP guidelines.

If you are using **Mendeley Cite**, you can add and use modified style from committee as your preference:

Step to add modified style:

1. Open Mendeley Cite from Reference tab in Microsoft Words
2. Login to your Mendeley account
3. Click Citation Settings - click Change citation style - scroll to bottom and click Add a custom style - add this link to URL bar: <http://cs1.mendeley.com/styles/482312801/american-institute-of-physics-MIRZA>
4. Click Enter
5. Click Citation Style - Choose American Institute of Physics - M. Mirza Abdillah Pratama
6. Make sure the citation and reference style has matched the formatting from AIP.

If you are using **Mendeley Desktop**, you can add and use modified style committee as your preference:

Step to add modified style:

1. Open Mendeley Desktop
2. Click View - Citation Style - More Styles
3. Click Get More Styles, add this URL in Download Style bar:  
<http://cs1.mendeley.com/styles/482312801/american-institute-of-physics-MIRZA>

4. Click Enter
5. Click Installed tab - Click American Institute of Physics - M. Mirza Abdillah Pratama - Click Use this style
6. Go to your Word document and update the citation and reference style using "American Institute of Physics - M. Mirza Abdillah Pratama". Do make sure that all citation and reference format have matched the AIP guidelines.

# CERTIFICATE OF PARTICIPATION

No: 10.8.1/UN32.5/DL/2023

WE CERTIFY THAT

**Putu Aryastana**

has participated as

**PRESENTER**

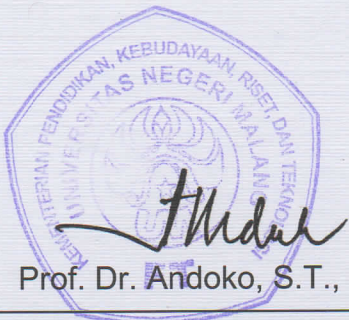

in "The 3rd International Conference on  
Green Construction and Engineering Education"

organized by

Department of Civil Engineering and Planning,  
Faculty of Engineering, Universitas Negeri Malang

Denpasar, Bali, Indonesia

on August 8-10, 2023

Prof. Dr. Andoko, S.T., M.T.

Dean of Faculty of Engineering UM

Puput Risdanareni, S.T., M.T., Ph.D.

Chair of the ICGCEE 2023
